CAPABILITY STATEMENT

VLove LLC is a Professional Service Firm located in Indiana, owned by Victoria Kemp, who has utilized 7 years of direct experience, training, and research, to construct complex, efficient, and affordable systems. VLove assists Business Professionals, Entrepreneurs, and Creatives by providing business formation, and post formation, consults and services; Including legal compliance and governance, foundational documents and contracts, and notary services. VLove services are in place to help ensure proper business formation, structure, operation, and maintenance; eliminating improper and incomplete business formation and legal compliance issues that create undue hardship on the business itself and its' consumers, as well as, our economy!

The priority of VLove is to expand our reach and utilize all professional titles and certifications to establish and develop a multifaceted Professional Service Firm, with a portfolio of long lasting partnerships that work interchangeably with VLove LLC.

VLove offers a solution for the continued growth of US economy by increasing our small business industry as a whole. The small business sector accounts for 54% of the entire US economy and 62% of our working force! Small Businesses increase our overall economical value by circulating in house and increasing local economic revenue, but also, small businesses increase job opportunities which directly affect the USA economic threshold!

From an intimate point of view, VLove literally turns passion into payment and makes dreams come true! The VLove brand and culture centers on resilience and empowerment for all! VLove forms the dreams of entrepreneurs and creatives from scratch, and, although businesses and business professionals are already established, VLove is utilized as trusted back end support for maintaining and expanding operations, in order to fully cultivate their vision!
